

FROISSY CAPPY DOMPIERRE - SUNDAY 27 SEPTEMBER 2020

The 2ft gauge FCD will be holding its End-of-Season gala on 27 September and the NGRS will be attending travelling in a coach shared with the RCTS. This is one of the few occasions when steam will work thru the narrow curving tunnel [a great experience, hot and sulphurous!] and up the zig-zags onto the plateau.

The Channel Tunnel will be used with pick-up from Ashford International station about 0700, returning about 2000. We have only 30 seats available. All attendees must be NGRS members living in the UK & Eire. Early booking recommended.

The line does not offer seat reservations & there will be no 'special' facilities' laid on and we will be visiting as 'normal' members of the public, although paying reduced group rates - the shed, for example, is usually locked when trains are running but there is no problem photting activities on the shed forecourt.

There are four trains 'up the hill' during the day and we should be able to use three of them. More details on the 'joining notes' The superb museum will be open and there is usually additional 'activity' on the level canal side section and in the yard, and the 7.25" circuit may be operating - often vintage road vehicles will be present.

Cost per person is **£45**. No reduction for children.

Closing date for applications is **30 July 2020** but early booking is recommended.

Name & address of each visitor

[more visitors on a separate sheet please]

Please send booking form, cheque or postal order, [NGRS written in full and your address on the back] and stamped addressed envelope [at least 9" x 4"] to arrive by **20 July** to -

**NGRS VISITS OFFICER, 6 COASTGUARD COTTAGES,
UPPER ROAD, DOVER CT16 1HS**

If you wish to pay by BACS please contact the Visits Officer
